Temporary Notice to Mariners

NAVIGATION HAZARD Deployment of Monitoring Station Port of Cape Preston

Mariners are advised that a single Displacement Data Buoy will be installed in the below location around the 25th November 2011.

As plotted on AUS Chart 742, Datum WGS 1984, printed 10/11/2008

Lat 20° 43.707 'S Long 116°08.771 'E

The buoy will be approximately 1.6 metres tall and 1.0 metres in diameter and is fitted with a flashing light. No vessel is to interfere with this buoy at any time.

Mariners are advised to navigate with caution when transiting the area and to keep well clear of the above monitoring buoy at all times.

**Raymond Buchholz
Acting Marine Operations Director
Marine Safety, Department of Transport**
