

Notice of Revegetation Works
Alongside Kwinana Principal Shared Path (PSP)

The City of South Perth will be undertaking some revegetation works alongside the Kwinana PSP from **Tuesday 14 July to Friday 17th July**.

The works will be undertaken on a 250m section of the PSP immediately south of the Thelma Street overpass.

The PSP will remain open and riders will be able to continue through the area. However, traffic management will be in place and riders should take extra care while riding through the area while the works are in progress.

For more information call **Tamara Wilkes-Jones**, the City of South Perth's Environment Coordinator, on 9474 0907.
