**Notice to Mariners  
Issue of ACMA Maritime Coastal License  
Port of Barrow Island**

Mariners are advised that the Port of Barrow Island has been issued a marine coastal radio license for the following operational VHF Marine radio channels by the Australian Communications and Media Authority.

**VHF CH 10:** General port calling and reporting

**VHF CH 14:** WA Oil operations (already listed in ALRS Vol 6)

**VHF CH 09:** Pilotage operations at WAPET Landing

**VHF CH 08:** Pilotage operations at Town Point and MOF

**Mariners are requested to use the above operational VHF channels when communicating with the Port. VHF CH 10 is monitored on a 24 hour basis, any vessel wishing to enter or transit through the port is to contact the Marine Controller prior to entering port limits.**
