## **Notice to Mariners**

**NAVIGATION HAZARD**  
**Construction Works**  
**Western Jetty A**  
**Royal Perth Yacht Club, Crawley**

Mariners are advised that jetty upgrade works and new construction will commence on the existing western jetty A from 4 April 2011 for a period of approximately 12 months. The works may cause disruption to all vessel traffic within and around the Royal Perth Yacht Club lease area.

The works area will be marked with yellow marker buoys, equipped with rhythmic yellow lights. Pile driving operations will be carried out from several self propelled barges and caution is required as unlit piles will be within the confines of the works area.

Barges, equipment and support vessels when not in use will remain within the works area outside of operating hours. At all times work vessels and barges will display lights and shapes in accordance with the Prevention of Collisions at Sea Regulations 1983.

**Mariners are advised to exercise extreme caution when navigating within the marina over the next 12 months during the above operations.**
