Temporary Notice to Mariners

NAVIGATION HAZARD Deployment of Monitoring Station Koombana Bay, Port of Bunbury

Mariners are advised that 1 (one) acoustic wave and current profiler (AWAC) has been deployed at the following location:

As plotted on Department of Transport Chart WA 776, Datum GDA94, March 2006 Edition 2.

AWAC. Lat 33° 18.788 'S Long 115°39.079 'E

The AWAC consists of a seabed frame, 1.25 metres square and 0.5 metres high, attached to two white floats and a yellow surface buoy which is 600mm in diameter and equipped with yellow rhythmic lighting system.

The AWAC will be deployed until around January 2014.

No vessel is to moor to, or interfere with, the above floats and buoys at any time.

Mariners are advised to navigate with caution in the vicinity of the above location.
