Jetties Act Regulations**General Notes****General Notes applying to all Small Boat Harbour Fees and Charges****A. General Notes**

Vessel owner and skipper jointly liable for all fees and charges

All fees payable in advance, on demand by authorised officer

Any charge "per metre" refers to "per metre x vessel length", whereby vessel length is:

- the "measured length" for commercial vessels, as defined in the "Uniform Shipping Laws Code" (to be replaced by the "National Standard for Commercial Vessels");

B. Slipway charges

These regulations specify that: the working hours of a port Monday - Friday are

8.00 a.m. - 12 noon

1.00 p.m. - 5.00 p.m.

- in addition to the usual charges, the vessel is to pay the cost over and above the ordinary cost of a day's work of all labour and supervision etc employed outside the port's working hours or during holidays; and
- the vessel is to pay the extra cost of lighting a shed or berth to enable a vessel to work outside the Port's working hours or during holidays.

C. Pens and Berthing Fees

- Pen fees apply per vessel (even if pen used by more than one vessel), other than where long term lease has been granted.

Unless otherwise indicated payment of pen or pile mooring fees entitles the hirer to free use of any Service

- Jetty in the harbour in which the pen is located, subject to the availability of berth space and direction of authorised officers. Such free use may be limited to unloading, loading and fuelling operations only.
- No berthage fee applies for fuelling only purposes where fuel wharfage applies.
- Where a vessel has a width greater than indicated as the Australian Standard for a mono hull vessel the fee for use of a berth or mooring shall have regard to the area occupied by the vessel by a comparison with the number of vessels or part thereof of the Australian Standard mono hull vessel dimensions that could be accommodated in the same area.
- Where annual fees have been paid for a particular facility, use of another facility may be temporarily allocated for the convenience of harbour operators without fee adjustment.

D. Miscellaneous Services/Use of Facilities

- The fee for any service or use of facilities not contemplated or provided for in the agreed fee schedule for a particular location shall be charged at cost.

Jetty licence applications for large or complex facilities often requires DoT to obtain consultant engineering

- advise with the cost of engaging consultants significantly exceeding the fee charged for the jetty licence. In addition to jetty licence fees where DoT needs to seek or obtain professional engineering advice with respect to a jetty application or modification, that the cost of obtaining such advice is to be added to the standard fee.
- Where DoT is required to obtain and pay for professional engineering advice with respect to lift capacity and structural limitations of the wharf facility, the cost of obtaining such advice will be recouped from individual operators carrying out lifts.

E. Period Definitions

Day means : A period of 24 hours.

Week means : A period of 7 consecutive days.

Month means : From a specified time/date in one month to the same time/date in the next month.

Annual/Year means: A period of 12 consecutive months.

F. Mooring Control Areas

Unless otherwise indicated, payment of swing mooring fees entitles the hirer to free use of any Service Jetty in

- the mooring control area specified in the mooring agreement for loading and unloading the vessel, subject to availability of berth space and direction of authorised officers.
- Unless otherwise agreed, users are responsible for providing all mooring and associated equipment.
