

## Recreational Boating Facilities Scheme - Successful Round 16 Projects

Applicant	Project	Description	Grant Amount
City of Albany	Emu Pt Boat Harbour trailer parking	To expand and upgrade existing trailer parking area.	\$155,006
Shire of Augusta-Margaret River	Gracetown trailer parking	To construct formal trailer parking.	\$215,290
City of Bunbury	Marabank Loop boat ramp extension	To extend the existing boat ramp.	\$46,500
City of Bunbury	Stirling St finger jetty	To construct a finger jetty adjacent to the existing boat ramp.	\$142,500
City of Bunbury	Stirling St ramp extension	To extend the existing boat ramp.	\$46,500
Shire of Busselton	Capes Region boating demand assessment	To analyse boating demand to better plan future facilities.	\$9,750
Shire of Busselton	Dunsborough Region boating facility planning	To undertake planning for a new regional boat ramp in the Dunsborough region.	\$120,000
Shire of Busselton	Dunsborough Region finger jetty design	To undertake design planning for a finger jetty at Canal Rocks or Eagle Bay.	\$37,500
Shire of Busselton	Georgette St boat ramp minor upgrade	To pave the ramp approach and install a seasonal boat ramp.	\$31,125
Shire of Busselton	Newtown Beach boat ramp major upgrade	To replace existing ramp with 2 lanes, construct a finger jetty & overflow parking, upgrade the revetment wall & undertake landscaping.	\$600,000
Shire of Busselton	Old Dunsborough finger jetty	To construct a finger jetty adjacent to boat ramp.	\$188,348
Shire of Busselton	Quindalup Sea Rescue boat ramp major upgrade	To upgrade the existing boat ramp and trailer parking.	\$133,259
Shire of Busselton	Quindalup trial sand trap groyne	To construct a trial sand trap groyne on western side of Quindalup boat ramp.	\$43,125
Shire of Denmark	Nornalup trailer parking	To upgrade existing trailer parking.	\$25,670
Shire of Denmark	Rivermouth floating jetty	To install a floating jetty.	\$59,205
Dept of Environment & Conservation	Coalmine Beach finger jetty	To construct a finger jetty adjacent to the boat ramp.	\$111,525
Dept of Environment & Conservation	Hamelin Bay ramp upgrade planning	To undertake design planning for a replacement boat ramp.	\$14,411
Dept of Environment & Conservation	Stockton Lake planning	To undertake planning for enhancing boating facilities.	\$55,838
Dept of Environment & Conservation	Walpole Town Jetty feasibility study	To undertake planning to improve the Town Jetty precinct facilities.	\$50,000
Shire of Derby West-Kimberley	Derby boat ramp lighting	To install lighting in the new parking area.	\$50,213
Town of East Fremantle	Leeuwin ramp, jetty & parking upgrade	To upgrade existing boat ramp, jetties and trailer parking facilities.	\$750,000
Shire of Exmouth	Bundegi trailer parking, lighting & toilets	To extend trailer parking and to install ablution facilities & lighting	\$202,336
Department of Fisheries	Abrolhos Islands public moorings	To install public courtesy moorings at safe anchorages and high visitation dive sites.	\$242,625
Shire of Harvey	Leschenault Estuary/ Collie River boating facilities study	To investigate existing recreational boating infrastructure to better plan future boating facilities.	\$45,000
Shire of Irwin	Pt Denison ramp feasibility study	To assess the feasibility of doubling the boat ramp and trailer parking capacity, and to install a fish cleaning facility.	\$35,500
Town of Kwinana	Kwinana Beach ramp & jetty investigations	To investigate upgrading the boat ramp and jetty.	\$18,000
City of Mandurah	Mandurah Ocean Marina fish cleaning table	To install fish cleaning facilities.	\$22,500
City of Mandurah	Mary St Lagoon fish cleaning table	To install fish cleaning facilities.	\$22,500
City of Mandurah	Novara universal access jetty	To add a universal access pontoon to the existing jetty.	\$19,675
City of Mandurah	Parkridge universal access jetty	To add a universal access pontoon to the existing jetty.	\$19,675
Shire of Manjimup	Windy Harbour parking & toilets	To construct trailer parking and ablution facilities.	\$225,000
City of Melville	Pt Walter boat ramps upgrade detailed design	To provide a detailed design for upgrading Pt Walter boat ramps.	\$33,750
Town of Mosman Park	Johnston St boat ramp upgrade planning	To undertake planning to increase efficient use of existing ramp.	\$15,304
Shire of Murray	Sandy Cove floating jetty	To install floating jetty.	\$150,000
Shire of Murray	Tatham Rd jetty replacement	To replace existing jetty to enhance mooring opportunities and increase ease of access.	\$195,000
Shire of Murray	Wharf Cove finger jetty	To construct a holding jetty.	\$23,550
City of Rockingham	Pt Peron jetty replacements	To replace existing finger jetties with floating pontoons.	\$350,000
Shire of Roebourne	Johns Creek Harbour toilet replacement	To replace the existing ablution facility.	\$37,295
Rottnest Island Authority	Geordie Bay jetty upgrade	To upgrade the lower landing of the jetty.	\$50,000
Shire of Shark Bay	Denham boat ramp	To construct a small craft launching ramp to the west of existing facilities.	\$60,000
Shire of Shark Bay	Monkey Mia boat ramp duplication	To construct a boat ramp adjacent to existing facilities.	\$90,000
City of South Perth	Coode St ramp investigations	To conduct usage surveys and investigate solutions to issues at existing ramp.	\$31,500
Department of Transport	Batavia Marina floating jetty	To construct a universal floating jetty.	\$132,116
Department of Transport	Carnarvon Fascine navigation aids	To install navigation aids & synchronised lighting on new and existing channel markers.	\$43,500
Department of Transport	Casuarina Boat Harbour mooring	To install a mooring for visiting vessels up to 20m long.	\$5,728
Department of Transport	Lake Kununurra navigation aids	To install buoys to mark a navigable channel near the Lily Creek Lagoon boat ramp.	\$73,125
Department of Transport	Mangles Bay courtesy moorings	To install ten public courtesy moorings.	\$37,500
Department of Transport	Peel courtesy moorings	To install public courtesy moorings in Harvey Estuary and Comet Bay.	\$37,500
