**\*\*\*\*\*STANDARD GROUP RECRUITMENT QUESTION\*\*\*\*\***

We often do another type of research where you actually get paid for your opinions. It takes the form of an informal discussion in a group of 8-10 people. If we want to conduct one or more sessions like that in Exmouth would you be interested in being invited along (This is not the same as the community consultation programme scheduled for June 10 – 11). If you are interested, and we have a group in Exmouth, one of our recruiters will give you a call and get some details.

Interested.....01  
REFUSED / Not interested.....90

Thank you for your time. That completes the actual survey, but in case my supervisor needs to check my work could I please have your name and a contact number. **These details are only for our checking procedures. Apart from the checking process, you will not be contacted again after this survey, nor will your name be recorded on any database.**
