

Exmouth Boat Harbour Development Community Consultation - 2008

Please indicate the extent to which you agree or disagree with the following propositions.

Introduction

The Department for Planning and Infrastructure is keen to consult with the Exmouth community and stakeholders during June 2008 to understand community views regarding the proposed expansion of the Exmouth Harbour. This community consultation will include discussion on the type of issues, usage and operating parameters that could apply to this type of facility.

Individually, or as part of a group, please respond to the statements in each of the following three categories identifying any issues that you feel should be considered in the proposed development of Exmouth Boat Harbour.

Should you wish to provide additional comment on any topics not identified here, please assist by detailing your contribution in point form on the back of this survey.
