

When blank, this form is classed as OFFICIAL, when completed, this form is classed as OFFICIAL SENSITIVE

A towing vehicle's tare weight must be 3.5 times greater than the towed vehicle's tare weight. Before towing, ensure the vehicle can be flat towed by checking the owner's manual. Base plate fitment must not affect air bag deployment or frontal impact requirements of the towed vehicle. Completed applications are to be submitted by email to tps@transport.wa.gov.au or by mail to Vehicle Safety and Standards, 34 Gillam Drive, Kelmscott WA 6111.
