Application to License an Overseas Vehicle Section 22 Road Traffic (Vehicles) Act 2012

When blank, this form is classed as OFFICIAL, when completed, this form is classed as OFFICIAL SENSITIVE

- To be eligible for a free licence, the applicant must be a resident of the country which issued the current licence and must not be a permanent resident of any Australian State or Territory.
- Applicant must produce a Carnet or Triptyque or such other documentary evidence establishing that the owner has given a guarantee to the Department of Infrastructure and Regional Development, that the vehicle is to be subsequently taken out of Australia and evidence of the vehicle being currently licensed overseas.
- Vehicle must be inspected prior to the grant of a Western Australian vehicle licence.
- An overseas vehicle licence becomes invalid if the owner (who is not a permanent resident of Australia):
 - becomes a permanent resident of Australia; or
 - transfers the vehicle licence to a permanent resident of Australia.

Application is made for the issue of a free licence for the vehicle desc which has been brought to Australia for use by a visitor. I declare that the information on this form is true and correct. I unders that under the provisions of the Road Traffic (Administration) Act 2006 offices to provide false or misleading information. DATE
