## IMPORTANT INFORMATION

The Visa Entitlements Verification Online (VEVO) system has been made available by the Department of Immigration and Border Protection.

The online system is used to verify a person's visa entitlements for Australia, including their entitlements to work or live in Australia.

### Identity requirements for driver's licence or WA Photo Card applicants:

The *Road Traffic (Authorisation to Drive) Act 2008* and the *Western Australian Photo Card Act 2014* require that the Chief Executive Officer of the Department of Transport and Major Infrastructure (DTMI) be satisfied with the identity of an applicant prior to granting a driver's licence or WA Photo Card.

DTMI requires access to your details through the VEVO system to verify your visa entitlements and therefore assess your application for a Western Australian driver's licence or WA Photo Card.

In order for DTMI to verify your identity, it is a requirement to obtain your consent for authorised DTMI staff to access your visa details.

You must acknowledge that you have understood the following points:

- This inquiry is for the sole purpose of checking the validity and entitlements of your Australian visa to confirm that you are eligible to apply for a Western Australian driver's licence or WA Photo Card.
- Information captured by VEVO may be used by the Commonwealth in order to locate you.

## DECLARATION

I, the undersigned, confirm that I have read and understood this document and the purpose of it, and give permission for DTMI to access information relating to my Australian visa entitlements for the purpose of me applying for a Western Australian driver's licence or WA Photo Card.
