MEDICAL EXEMPTION

This section of the form must be completed by a medical practitioner.

Are you familiar with the applicant's medical history prior to this examination?

I have attended to this applicant Professionally since

To comply with WA's Alcohol Interlock Scheme one litre of breath is required to operate an interlock. Provide details of the medical condition which prevents the applicant from operating an approved alcohol interlock.

Provide supporting information if required

In my opinion there is sufficient medical evidence to recommend that the applicant should be granted an exemption from using an approved alcohol interlock device

Has the applicant been referred to a specialist regarding this condition? (If yes, provide supporting documentation such as reports)

Does this medical condition impair their ability to control a motor vehicle? If yes, complete medical assessment form (M107A) and submit to driverservices@transport.wa.gov.au
