plan the best route  
to walk or ride to  
Challis Community  
Primary  
School

Challis Community Primary School is a Your Move School and encourages all students to walk, ride or scoot to and from school where possible.

Heaps of kids are walking, riding and scooting to our school every day. Here's a nifty little map to help you plan your way to school.

Getting active on the way to school means you have time to spend with your family and friends, can focus better in class, stay fit and healthy, plus gain some independence and do the right thing for our environment.

If walking or riding the whole way to school isn't an option, ask your parents to park nearby then walk or ride the rest of the way!

*"I like riding my bike to school because I enjoy the fresh air and the quietness before school. Riding my bike to school makes me feel better because it helps me wake up when I am feeling tired in the morning."* **Daemon**

*"I like to ride my bike to school because I can be with nature and feel the fresh air. I like to use my imagination to pretend that I am on a dirt bike or racing cars. It is even better when I get to ride with my friends."* **Shashean**
