

Fact Sheet

Commercial Jetty Application

Business Guarantor Declaration

This fact sheet provides information on why a Business Guarantor Declaration may be required to support a Commercial Jetty Licence Application.

For a Commercial Jetty Licence Application to be approved applications must meet key criteria as listed on the Department of Transport (DoT) website at www.transport.wa.gov.au/imagery/commercial-jetties.asp.

Each Commercial Jetty Licence Application will be individually assessed by the Maritime Licensing Team.

In order to reduce any potential financial risk associated with the removal of a jetty structure, DoT will evaluate the Commercial Jetty Licence Applications to ascertain if a Business Guarantor Declaration is required by way of a security for the future removal of the jetty structure.

If the Commercial Jetty Licence Application does require a Business Guarantor Declaration, the applicant will not be required to secure a cash bond or bank guarantor.

The Business Guarantor Declaration form is available at www.transport.wa.gov.au/imagery/commercial-jetties.asp. The completed declaration must be sent to Maritime.Licensing@transport.wa.gov.au no later than 28 days following written request .
