

**JETTIES ACT 1926**

**JETTIES REGULATIONS 1940**

Fee waiver instrument – government contractors  
(JR-2022-205144)

**Citation**

This instrument is called JR-2022-205144.

**Interpretation**

In this instrument -

**area** means an area the subject of a contract for the carrying out of contract work;

**berthing charge** means a charge payable under regulation 72 of the Jetties Regulations;

**berthing due** means a berthing due payable under regulation 6 of the Jetties Regulations;

**contract** means a contract or an arrangement between a person and The Minister for Transport pursuant to section 6 or section 7 of the *Marine and Harbours Act 1981*;

**contract work** means work the subject of a contract to construct or replace a pen or berth; and

**Jetties Regulations** means the *Jetties Regulations 1940*.

**Fee waiver**

I, Shelley Grice, Manager Facility Operations in the Department of Transport, under regulation 111 of the Jetties Regulations waive a berthing due or berthing charge for an area payable in relation to a vessel for a period -

- (a) for which the vessel is used for the purposes of contract work in the area; and
- (b) that occurs after the date of this instrument and before the date five years from the date of this instrument.
