

# Regular passenger transport service provider Variation of approved routes and areas

**When blank, this form is classed as OFFICIAL, when completed, this form is classed as OFFICIAL SENSITIVE**

This form is to be used to apply for a variation of the approved route or area or areas approved of an authorised Regular Passenger Transport (RPT) service provider, under *Section 69 of the Transport (Road Passenger Services) Act 2018* (the Act).

An RPT service is a service for the transport of passengers by road within, or partly within the State for hire or reward that is conducted according to regular routes and timetables or according to regular routes and at regular intervals.

When assessing variations, the Department of Transport (DoT) will consider the impact of the variation against current services that are provided, and against the items listed in s.62(1) of the Act.
