Short trips are ideal for riding a bike.
TRAVELLING BY BIKE:

Bikes are not allowed on trains, trams and buses without a bicycle permit. Some trains, buses and ferries have special racks or areas for bikes.

Good planning is the key to getting the most enjoyment from cycling. Identifying safe alternatives to car travel will help make cycling a safe and enjoyable way to travel.

TRAVEL TIPS:

- Use a map and a bike for your route.
- Take a route that avoids busy roads.
- Use a map and a bike for your route.
- Take a route that avoids busy roads.
