

Ride around Rockingham

Scenic rides around Rockingham and surrounds

TRAVELLING BY BIKE:

Riding a bicycle is becoming increasingly popular in Western Australia. In addition to reducing traffic on our roads, cycling also improves health and fitness and is a fun and inexpensive way to get around.

From a stunning coastline and ancient lake systems, to a vibrant restaurant and café strip on the foreshore, Rockingham which is located 50 kilometres south of Perth, is jam packed with amazing attractions that can be easily accessed by bike via the Mandurah rail line. This map shows local shared paths, cycle friendly streets and train stations. Also featured are places of interest, local parks, shopping and rest areas, BBQ facilities and bike-specific infrastructure like bike racks and bike shops.

Use the Perth Bike Map Series 'Cockburn / Rockingham' if you choose to cycle between Perth to Rockingham or 'Ride around Mandurah' if you would like to extend your journey further south.
