School

Clifton Hills Primary School is a Your Move School and encourages all students to walk, ride or scoot to and from school where possible.

Heaps of kids are walking, riding and scooting to our school every day. Here's a nifty little map to help you plan your way to school.

Getting active on the way to school means you have time to spend with your family and friends, can focus better in class, stay fit and healthy, plus gain some independence and do the right thing for our environment.

If walking or riding the whole way to school isn't an option, ask your parents to park nearby then walk or ride the rest of the way!

"I love to ride my bike to school because: I get to see and hear all different things that you wouldn't in a car." **Josie, Year 6**

"We like walking to school because: we get to meet up with friends, stay fit and get out in the fresh air." **Violette and Sienna, Year 6**
