

Additional Record of Supervised Driving Pages

For use only where the 'record of supervised driving' pages of your issued 'Learner Guide and Log Book' have all been filled and you wish to record additional supervised driving sessions.

You are required to present your Learner Guide and Log Book prior to, or when you attempt your PDA.

There is a variety of resources available on our website to help you during the six steps of obtaining your licence, please visit www.transport.wa.gov.au

See below example for instruction on how to record your supervised driving session.

Record of supervised driving

Note: To convert your driving minutes into hours, divide the total by 60.

Supervising driver name (please print)	Supervising driver Licence number	Supervising driver Signature	Date	Time of day		Driving time (minutes)	
				Start	Finish	Day	Night
K. BROWN	2826012	<i>K. Brown</i>	13/07/2016	2pm	4pm	120	
A. BROWN	3456789	<i>A. Brown</i>	1/08/2016	7pm	8pm		60

Your supervising driver should fill out these columns for each driving session.

If your supervisor is a driving instructor, you need to record their instructor licence number.

If your supervisor is a friend, relative, or any other person, you need to record their driver's licence number.

Record the date, times and duration of your driving session in these columns.

Please note: Only record driving sessions of 10 minutes duration or more.

Note: All entries must be made in ink. If you make a mistake, draw a line through the entry and start again on the next line.

Total day time minutes	120		2
Total night-time minutes	60	Completed night-time driving hours	1

List of supervising drivers

 Please ensure you meet the requirements of being a supervising driver as your details will be verified against our records. If, at the time of providing supervision for the learner driver, your driver's licence was invalid, suspended or you were disqualified from driving, those sessions will not be counted towards the learner's accumulation of supervised driving hours.
