A licence holder can only hold one current Australian driver's licence. If you currently hold a licence issued by an Australian State or Territory it must be surrendered upon the grant of a WA driver's licence. The issuing authority will be advised and the licence card destroyed. If any information needs to be verified, checks may take a number of days.

Note: You may be granted a learner's permit if your overseas licence cannot be validated. If your licence is not in English you must bring an official translation of your original driver's licence document, along with your overseas driver's licence.
