

When blank, this form is classed as OFFICIAL, when completed, this form is classed as OFFICIAL SENSITIVE

This form may be used to determine the Learner Approved Motorcycle Scheme (LAMS) compliance of an Individually Constructed Vehicle (ICV) motorcycle (kit bike) or an imported motorcycle that does not have a compliance plate issued by the Federal Department of Infrastructure, Transport, Regional Development and Communications. To be LAMS approved, a motorcycle must have an engine capacity not exceeding 660 cc and power to weight ratio not exceeding 150 kilowatts per tonne. This form must not be used to assess LAMS compliance of modified motorcycles. Any motorcycle that has been modified in any way is automatically deemed to be LAMS non-compliant.

This form may be emailed to technicalpolicyservices@transport.wa.gov.au OR posted to Vehicle Safety and Standards, Technical Policy and Services, 34 Gillam Drive Kelmscott 6111. The assessment may take up to 15 working days.
