DEFINITIONS - DUTIABLE VALUE

The term "dutable value" is defined by Division 5 of the *Duties Act 2008*. The following interpretation is provided as a guide only.

New Vehicle: For a new vehicle (which includes a demonstration model that has been used for that purpose for not more than 2 months) that is a motor car, motor wagon or motorcycle, the list price (see definition below), plus the price fixed by the manufacturer, importer or principle distributor as the additional retail selling price in Western Australia for a particular type of transmission fitted to the vehicle. (For example, the set fee to upgrade a manual transmission to automatic).

Used Vehicle: In relation to used vehicles - the amount for which the vehicle might reasonably be sold, free of encumbrance, in the open market. Where the dutiable value or purchase price of a vehicle has been incorrectly stated the matter will be referred to the Office of State Revenue for investigation and possible prosecution.

List Price means the price that has been fixed by the manufacturer, importer or principle distributor as the retail selling price of that vehicle in Western Australia.

NOTE: Vehicles which are transferred for no monetary gain need to have an amount provided for which the vehicle might reasonably be sold, free of encumbrances in the open market. i.e. its dutiable value.

VEHICLE LICENCE DUTY EXEMPTION ON THE TRANSFER OF A VEHICLE LICENCE BETWEEN SPOUSES/DEFACTOS

There is a provision for an exemption from vehicle licence duty, upon the transfer of a vehicle licence between spouses or de facto partners of at least two years. The 'Application for Exemption From Duty for the Transfer of a Vehicle Licence (Between Spouses Including De Facto Partners)' (Form E176) must be presented to a Driver and Vehicle Services Centre, regional Department of Transport office or participating DVS agent.

GARAGING ADDRESS (BASE OF OPERATION)

In accordance with section 5(3)(d) of the *Road Traffic (Vehicles) Act 2012*, vehicles cannot be licenced in Western Australia if they are garaged in another state or territory. You may be required to provide documentary proof of this.

DOES THE VEHICLE HAVE MONEY OWING ON IT OR IS IT LISTED ON THE WRITTEN-OFF VEHICLE REGISTER?

The Personal Property Securities Register (the PPSR) is the register where details of security interests in personal property can be registered and searched. To make a PPSR enquiry, you will only need to provide the chassis or Vehicle Identification Number (VIN). WARNING: Restrictions on vehicle transfers

There may be sanctions applied by the Department of the Attorney General in respect of unpaid fines that prevent the grant, renewal or transfer of a vehicle licence. Until such time the sanction has been removed, the vehicle is considered unlicensed and continued use of the vehicle will be in contravention of the *Road Traffic (Vehicles) Act 2012*.

Before considering the sale or purchase of a vehicle, the vehicle licence status may be checked at www.transport.wa.gov.au.

Vehicle owners that might have outstanding infringement notices or court fines may contact the Fines Enforcement Registry on 1300 650 235 to enquire if their unpaid fines have led to a suspension of the vehicle licence.
