

## Jurien Bay Boat Harbour

# Code of conduct

**Caution:** This harbour is co-used by recreational vessels. Penalties will apply for misuse of this facility.

### Speed limit

- 6 knots

### Fuel

- Fuel is available from the fuel jetty. The service is provided by Comen Fuel WA and is available 24/7 by credit card facility. Comen and all major credit cards accepted.

### Refueling

- Areas are clearly marked. These areas are to be kept clear at all times.

### Service jetties

- For loading and unloading only, with no extended stays. All gear to be loaded directly onto vehicle or vessel. Vessels must be prepared to move to allow incoming vessels to unload. No vehicles to be left unattended on jetties.

### Breakdown areas

- At the foot of all service jetties or as directed by harbour management.

### Bilges

- Must not be pumped out in the harbour or surrounding areas.

### Rubbish disposal

- Large bins are provided at the end of each service jetty and between the pens. Please use them.
- Dumping of offal or fish carcasses, large or small, is strictly prohibited within the harbour.
- No rubbish, including bait boxes or plastic, to be dumped at sea and all rubbish to be placed in rubbish bins.

## Oil disposal

- A waste oil disposal unit is installed to the east of the commercial boat pen toilet block for vessels utilising the harbor only.

## Boat wash down

- Is permitted on the service jetties only if there are no other vessels waiting to use the facility. Any time in the pens. No chemicals are to be used within the harbor.

## Booking of pens

- Please the Mid West Regional office via email [MidWest@transport.wa.gov.au](mailto:MidWest@transport.wa.gov.au) or phone 9216 8170.

## Parking bays

- Bays are clearly marked.

## Fish cleaning

- A fish cleaning table is located in the public car park near the boat ramps.
