Narrows Personal Watercraft Area
Marine Safety Information

**Personal Water Craft (PWC) Freestyle Area**

The Narrows PWC Area is set aside for the exclusive use of personal watercraft (PWC) engaged in freestyle driving and one commercial parasailing vessel.

PWC operating in this area must:
1. Keep at least 30 metres clear of any other PWC.
2. Keep at least 50 metres clear of any other vessel or person in the water.

Driving a PWC in this area is permitted between the hours of SUNRISE and SUNSET only.

Freestyling is prohibited in all other areas of the Swan Canning Riverpark.

Use of the PWC Area ramp is limited to the launching and retrieval of PWC. All other vessels are prohibited.

Personal watercraft "freestyle driving" means driving a PWC such that the driver of another vessel in sight of the PWC would be unable to determine the intended course and speed of the PWC or as to take action to avoid a collision.

The drivers and passengers of PWC involved in freestyle driving do so at their own risk.

**Personal Floatation Device (PFD)**

A labelled bearing the label PFD Type 50/50s (or higher) must be worn by every person on board when operating in protected waters of the Swan Canning Riverpark.

**Swan Estuary Marine Park (Milyu)**

Personal watercraft are strictly prohibited within the Swan Estuary Marine Park. An 8 knot speed limit applies to all other vessels.

**South Perth Water Ski Area - Commercial**

This area is set aside for commercially approved commercial water ski operators only.

**General Speed Restrictions**

A person shall not cause a motorised vessel to travel at a speed exceeding 8 knots:
1. in any waters having a depth of less than 3 metres (except in all areas);
2. within 15 metres of a vessel under way;
3. or within 45 metres of:
   a. the Narrows Bridge;
   b. a moored vessel;
   c. a person in the water;
   d. a jetty or wharf;
   e. the riverbank or low water mark.
