Water skiing
Water skiing may only be conducted in those waters of Bennetts Lake indicated on the map.

Water skiing is prohibited within 50 metres of the foreshore except at the designated landing and take-off area extending approximately 250m along the foreshore northwards from the boat launching area. Water skiing may only be conducted between sunrise and sunset.

Water Skiing shall cease to be conducted at any time the maximum water level of the lake falls below 1.6 metres.

PWC prohibited practices
Freestyle driving and wave jumping are prohibited on Bennetts Lake.

Required Safety Equipment

- Recreational Skipper's Ticket
  - The skipper of a recreational vessel, powered by a motor greater than 6hp (4.5kwp) must hold a RST.
- Bilge Pump / Bailer
  - All vessels must carry a bilge pump. A vessel under 7 metres may carry a bailer in lieu of a bilge pump.
- Fire Extinguisher
  - Vessels with an internal engine or carrying hydronic heating or cooling appliances must carry an approved fire extinguisher.
- Lifejacket
  - A Lifejacket wearing the label Level 100 (or higher) with the Australian Standard AS 1512, AS 4758 or ISO 12402 must be carried for every person on board.
