The controlling authority may transfer the registration of a registered mooring site after the ownership of a vessel or other floating object in respect of which registration is effected has been assigned or disposed of by the registered owner and the person who has acquired the vessel requests the controlling authority to approve the transfer and that request is supported by evidence that the vessel or other floating object has been transferred.

I (the current registered owner) hereby request the Department of Transport approve the transfer of a Registered Mooring Site.

IMPORTANT INFORMATION

It is the responsibility of the current registered mooring owner to submit this form and ensure that the vessel shown on the Certificate of Registration has been transferred into the new applicants name.

The Terms and Conditions, to which any mooring site registration will be granted, are available on the Department of Transport imarine website at www.transport.wa.gov.au/imarine . It is important that you read the terms and conditions and retain them for your records. The terms and conditions should be read in conjunction with the **Shipping and Pilotage (Mooring Control Areas) Regulations 1983**, which will also be binding you.

Please note that all registered mooring sites at Soldiers Cove within the Peel Mooring Control Area are NON TRANSFERABLE and have been CAPPED with no further installations considered.
