

Notice of Monitored Traffic Change

Boat Ramp and Northern Carpark Access

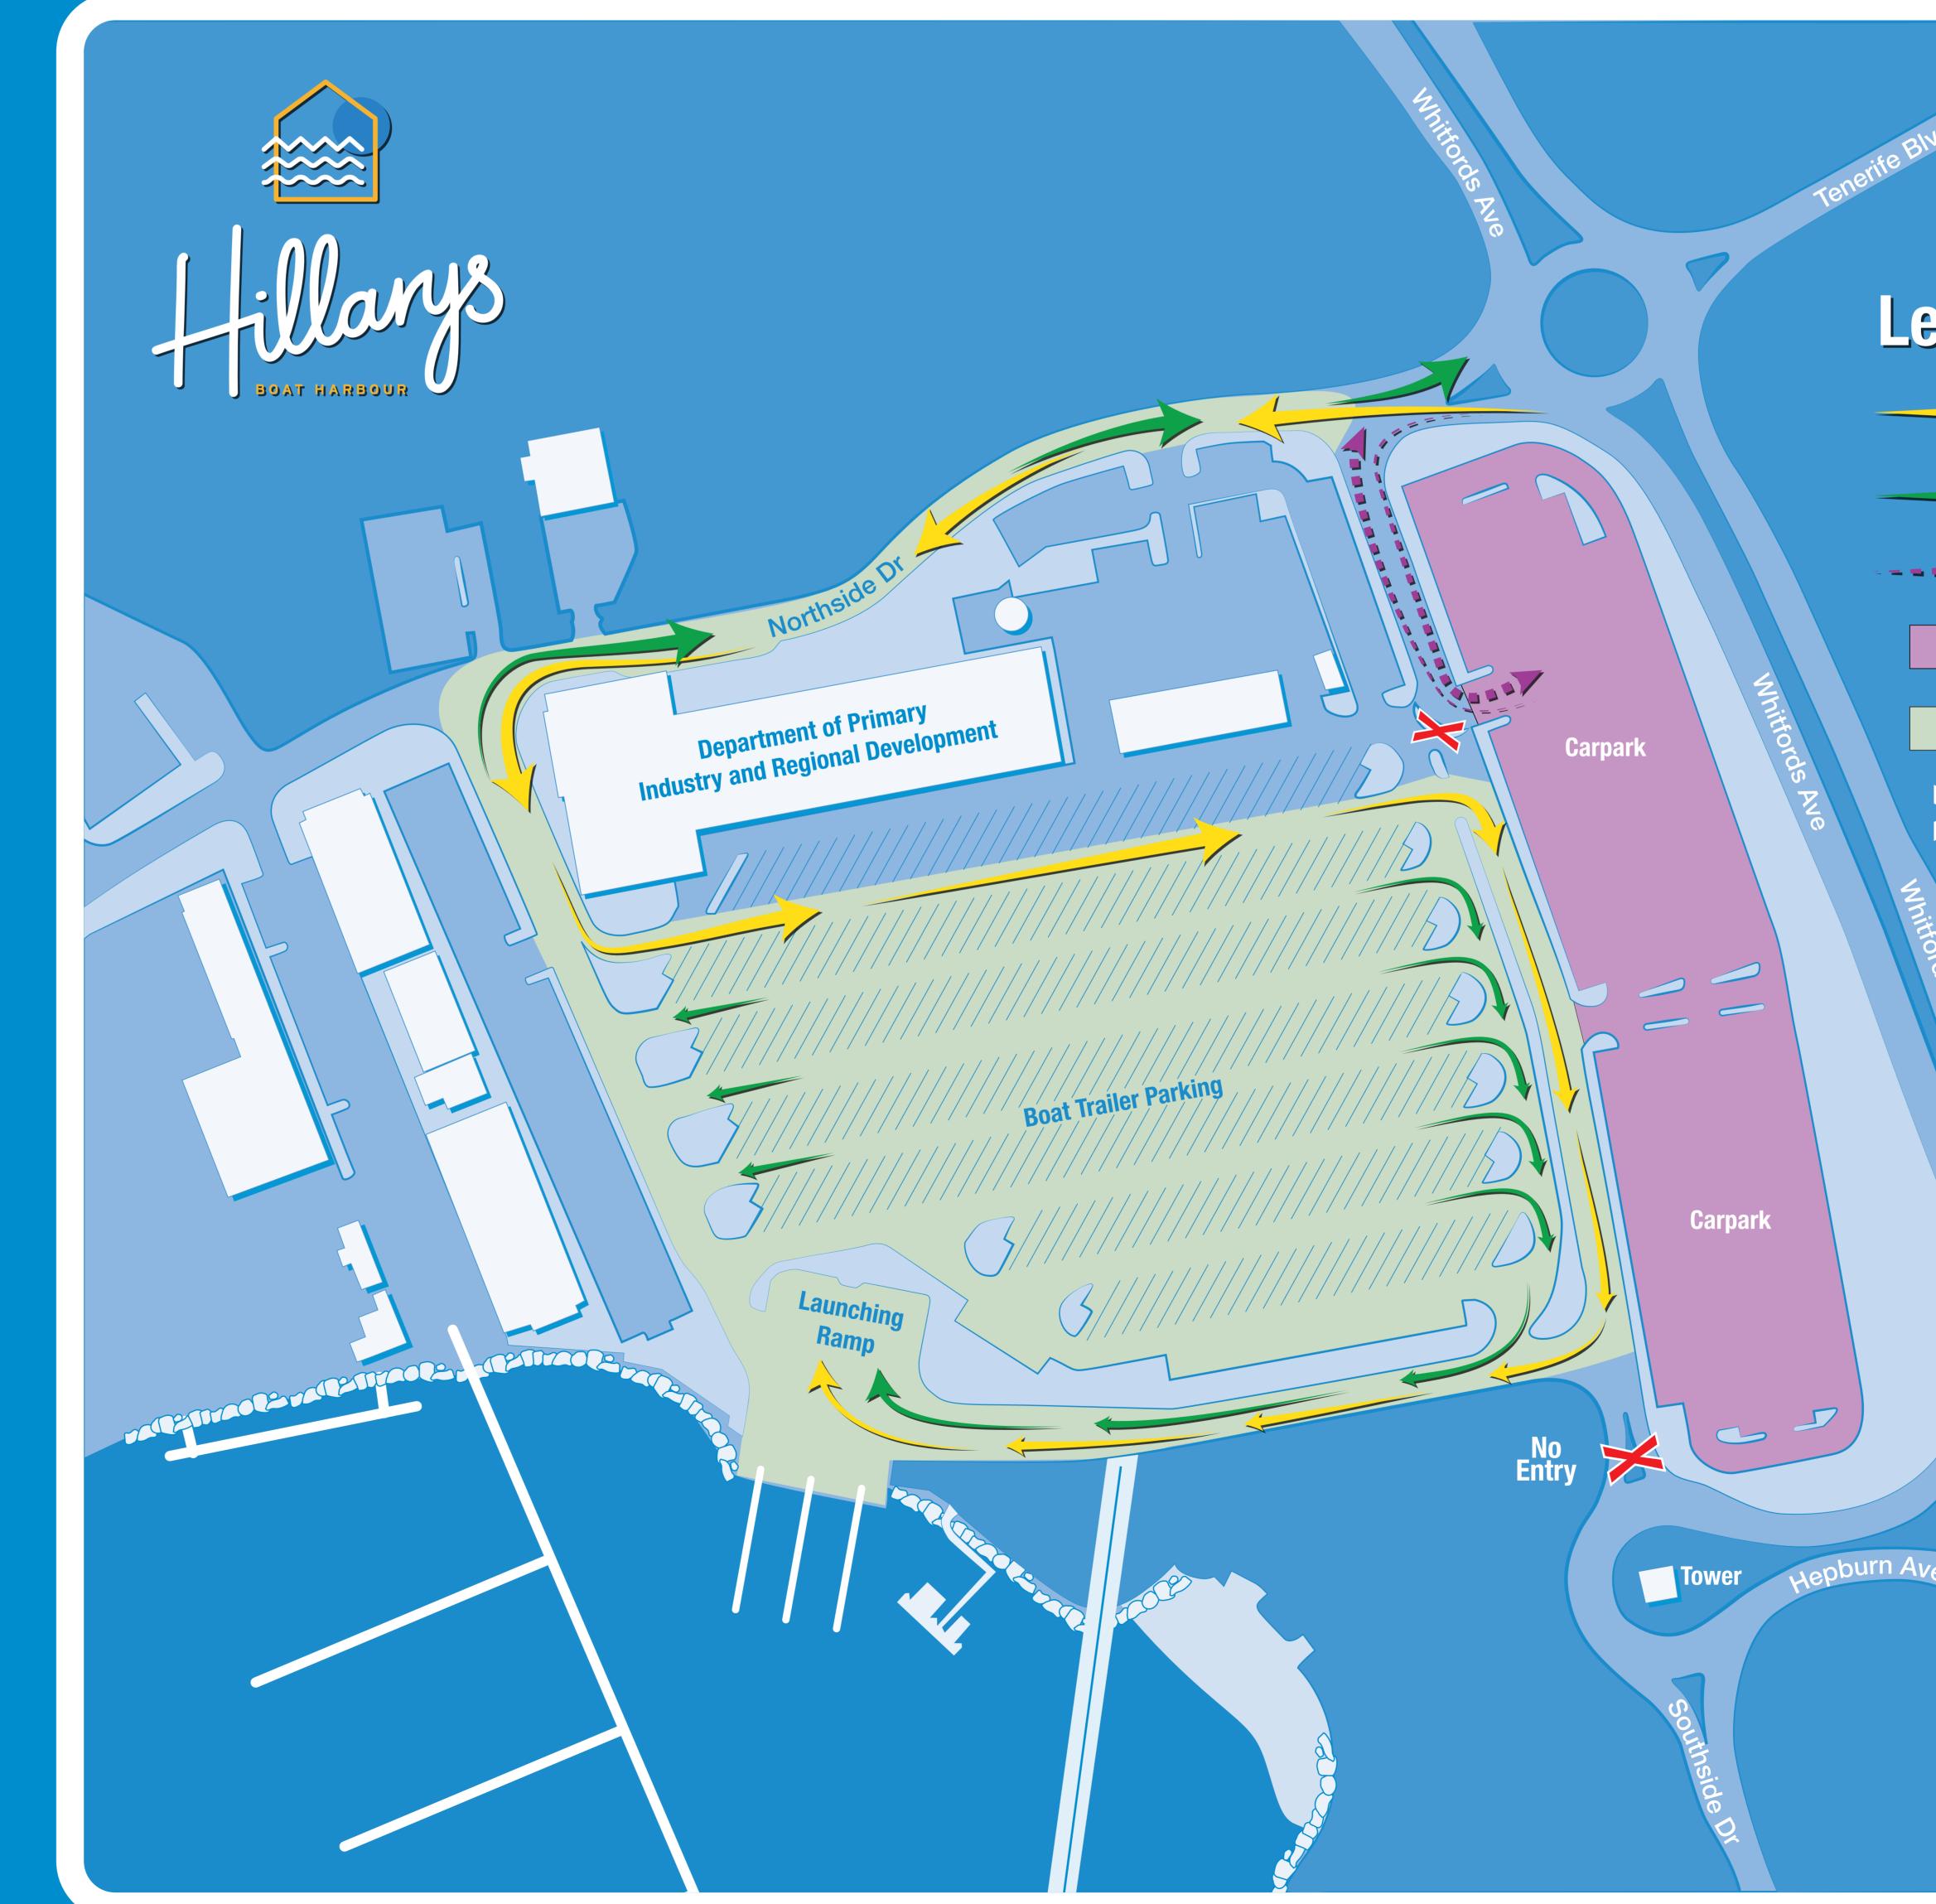

Access to the Boat Ramp at Hillarys Boat Harbour is changing. Access will now only be via Whitfords Avenue and Northside Drive by turning left at the Fisheries building - YELLOW ZONE.

The PURPLE ZONE is for the Northern Carpark access only.

The change is based on user feedback and traffic modeling and aims to make queuing safer.

The interim traffic changes are being monitored and will inform larger precinct master plans.
