Instructions
Please follow the steps below to sketch your Aquatic Events area.
See the full [AquaMap User Guide](#) and follow the prompts below.

1. Navigate around this AquaMap on your area of interest, use the middle mouse scroll bar or the plus or minus zoom buttons, and use the right click mouse button to pan around.
2. Alternatively, you can use the search box on the map to search for full address, then press the enter key.
3. If you get lost use the 'Home' button located under the zoom buttons.
4. If you are using a mobile phone or tablet, use the 'My Location' button that will navigate where you are in the field
