

PERTH PARKING AT A GLANCE | 2018-19

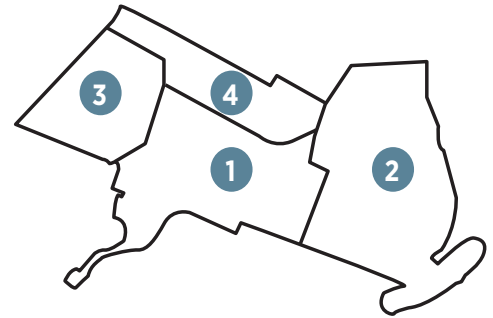

Perth Parking Management Area (PPMA)

All non-residential Parking Bays within the PPMA must be licensed and pay a licence fee where liable (the Perth Parking Levy).

PPMA suburbs

1. Perth CBD
2. East Perth
3. West Perth
4. Northbridge

Licence fee revenue

Licence fee revenue is reinvested into transport services and infrastructure in the Perth central area, such as free public transport within the PPMA.

Services funded

- Central Area Transit (CAT) bus system
- Free Transit Zone
- Active traffic management to keep the Perth CBD moving

Licence fees, not parking fees

At around \$4.68 per working day the fee is a small proportion of the amount public car parking providers charge for parking in the city.

Fee-liable bays

- 51, 717 bays
- 27.88% short stay, on-street public
- 17.31% long stay public
- 54.81% tenant

Fee exempt bays

- 1,678 motorcycle bays
- 1,303 loading bays
- 833 ACROD parking bays

Licence fees help

- Reduce traffic congestion
- Free up shopper & visitor parking
- Improve pedestrian safety
- Improve air quality
