Section 1 - Scope of Bulk Licensing Scheme

The Bulk Licensing scheme provides dealers with permission to certify the accuracy of information submitted and the fitness of motor vehicles or trailers under the provisions of the *Road Traffic (Inspection of Vehicles) Notice 2012* currently in force for licensing purposes without individual inspection of these vehicles. The Scheme applies only to approved dealerships and is relevant only to:

- standard vehicles;
- standard vehicles with manufacturer's options; and
- vehicles subject to modifications which do not require Chief Executive Officer approval under the *Road Traffic (Inspection of Vehicles) Notice 2012* currently in force.

Section 2 - Duties of Authorised Representative

An Authorised Representative will be required to verify the accuracy of the particulars shown on the Bulk Licensing (VL1A) form and that:

- the VIN on the VL1A form matches the VIN on the vehicle,
- that the correct number plates have been allocated and will be attached to the vehicle,
- if the vehicle is a trailer, a VSB1 trailer plate has been affixed by an authorised installer; and
- if the vehicle is a cab-chassis, a VSB6 compliance plate or a second stage manufacturer's plate has been affixed by an authorised installer.

Note: It is an offence under provisions of the *Road Traffic (Administration) Act 2008* to wilfully mislead by falsifying and or incorrectly declaring information on this form.

Section 3 - Changes to Authorised Representative(s)

Where a dealership wishes to add or remove an authorised representative, a new Bulk Licensing Nomination/Permit (E177) form must be submitted to Interface Coordination via email to dealerinterface@transport.wa.gov.au or by post to GPO Box R1290 Perth 6844, listing all current and proposed authorised representatives.
